

Dear Colleague,

Happy New Year.

Preparations for APhO - 2022 are underway. Because of Covid, we are being forced to organize the competition in '**online mode**' in the 3rd / 4th week of May 2022. The first notification including the invitations should be ready by the last week of January 2022. The website is almost ready and is likely to be **live** within a week. We shall keep you posted from time to time. Till then all the best. Keep safe.
