

Dear APhO Colleagues:

This is a reminder to circular 3. We are enthusiastically looking forward to your participation in APhO-2022. As you are aware our Website apho2022.in is up and running. It has a Registration tab which you may access and complete. In case you have problems with the Registration form and payment gateway then do not hesitate to contact our IT teams with your contact details:

1) Rahul Singh Pundir - rahulsinghpundir85@gmail.com; WhatsApp 7037702452

Or

2) Aviral Tomar - aviraltomar2003@gmail.com; WhatsApp 8126027308

(In the unlikely event that the IT team is not available, you may contact me ravi_bhattacharjee@yahoo.co.in, WhatsApp 9873376056)

As some countries have requested a provision for observers we have now provided an option for two observers per country. You may be waiting to identify the team of your students. However you may **go ahead and complete the rest of the Registration form and transfer the registration fee of**

US \$1000/. This will go a long way in helping us to plan the event. Some countries are having problem with the Registration process. To help all of you, we have decided to extend Registration till 29th April 2022.

Looking forward to your active participation,

Regards

Ravi S Bhattacharjee
(Organising Secretary)

P.S. Money may be transferred either through direct money transfer or Credit / Debit card. Details of this is available in the Registration Form

To help you fill the form a step by step video guide will be uploaded shortly

I reproduce an appeal from the President APhO on the next page.

Dear Leaders of Participating Regions/Countries,

This year, India is organizing the Asian Physics Olympiad in Dehradun. Due to the pandemic (Covid 19) and its variants, the global health situation has not sufficiently improved and we are forced once again to conduct our competition through online media. While it is not the best way to promote friendship and science, it is clearly possible and feasible as demonstrated by our Taiwanese friends last year.

India has spent plenty of efforts to make this event a success. Many of you have indicated your wish to participate. Even though the event is organized online, the organizer still needs to put in substantial effort to raise funds through government and other organizations. So, I would like to urge you to confirm your participation by remitting the registration fees to our Indian Host Organizer as soon as possible. Please also remember to submit details of participating leaders and students.

Thank you very much.

With best regards,

Leong-ChuanKwek,
President, APHO
